**Von Joyce Sullivan : To Laney, With Love** before purchasing it in order to gauge whether or not it would be worth my time, and all praised To Laney, With Love:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good Start, Lousy Finish Von Ein Kunde With \_To Laney, With Love\_, Joyce Sullivan returns to Intrigue with an ambitious and compelling premise. The card in Laney Dobson's mailbox was addressed "To Laney With Love"--a message that seemed to be from Laney's dead husband. Bewildered by the discovery, Laney turned to fellow single parent Ben Forbes, who had been there for her ever since her husband was killed. Ben and Laney were both attracted to each other, but what kind of a future could they have if her husband was, in fact, alive? Unfortunately, the card is just the first development as Laney begins to learn things she never knew about the man she married--things that will put all of her inner strength to the test when murder enters the picture. The book begins pleasantly enough. The characters are

sympathetic and the story interesting, and as the twists begin to pile up, it certainly keeps your interest. As with her last two books, Sullivan does a good job leading the reader-and her characters-down the wrong path time and again before revealing what's really going on. Unfortunately, it begins to completely unravel toward the end, both in terms of the mystery and the romance. It's never a good sign when a villain actually utters the words, "You will bow to my wishes." (I thought this was modern-day Canada, not some ancient kingdom.) And without giving anything away, let me just say that the ending goes over the top, with the kind of development that happens more because the writer wants to provide a dramatic finale than because the timing makes any sense. The weakest part, by far, was the romance, which was both shallow and unconvincing. I had a hard time believing Laney would be so willing to move on after what she was finding out about her husband. What Laney and Ben decide to do at the very end isn't something any sane person would do after all they'd experienced, but for these two, it made a kind of sad sense. I enjoyed Joyce's first two books-"The Night Before Christmas (Intrigue #352) and "This Little Baby" (Intrigue #436)-but in this case, the third time definitely wasn't the charm. 0 von 0 Kunden fanden die folgende Rezension hilfreich. great romance, wonderful intrigue, incredible writing style! Von Ein Kunde "To Laney With Love" was yet another masterpiece of intrigue pulled together by Joyce Sullivan. It's one of those books you just can't put down.... even though the laundry is piling up, the dog is barking, the house is messy, you haven't eaten all day, and your hubby thinks you're a little too involved in 'a book'! Well this isn't just 'a book'. It's a fun look at romance and adventure and actually proves that in real life, you never REALLY know what is going to happen. There are no guarantees in life, but this book sure guarantees a good read. I love the ending too, but suggest to future readers that you don't read the backcover first....you'll be all the more surprised when you reach the end. Thanks to the author.... I can't wait for her next masterpiece! 0 von 0 Kunden fanden die folgende Rezension hilfreich. To Laney, Loved It Von Amy Britt This is the most amazing book, it is suspenseful, romantic, and is hard to put down. To Laney With love was an absolutely amazing book, it had a great plot with many twists and turns, keeping you on the edge of your seat. The book is about a lady named Laney that supposedly lost her husband in an avalanche. A little over a year later she starts to receive love letters from her late husband, Reese. Her and her closest friend Ben travel to the mountains to find out what this scheme is all about and are truly horrified at what they discover.

Kurzbeschreibung To Laney, With Love, I know you have questions but I can explain. Meet me at The Rendezvous, Valentine's Day. Make this our little secret. R. The note stunned Laney Dobson. Before she could move on, Laney had to know if her husband was still alive. So she turned to her son's coach, Ben Forbes, and together they searched for answers and found unexpected desire. But Laney also found her husband newly murdered! She sought refuge in Ben's arms, his lips his body, and despite her fear, dared to dream of love again. But Ben feared Laney and the boy he thought of as his own were still at risk. Now Ben would protect Laney at all costs, even if it meant stopping their own wedding to catch a killer!
