Rezension hilfreich. Coming back for more Von Ein Kunde This was one of the first books of Ms. Mason's that I read. I have to say it is one of my favorites. The way a reader gets into the book, like we are there, keeps us coming back for more. I will recommend this book to anyone. And if you have not read it, you are missing out. 0 von 1 Kunden fanden die folgende Rezension hilfreich. It was one of her best Von Ein Kunde I loved it. I couldn't put it down. I really loved the part where he sneaks into her hotel room. I can't wait for the book about Pierce's brother Chad to come out

Kurzbeschreibung With a bullet in his back and a vigilante mob hot on his trail, Pierce Delaney staggered to the nearest hideout. He awoke to the firm touch of a woman's hand running over the hard muscles of his legs, his arms, his chest. He knew women weren't to be trusted, but when the blond angel before him proposed a short-term marriage to hide him from the law, he was only thinking of how he could make her his forever. Zoey Fuller needed a fiancé fast. Otherwise she'd be forced to give up her ranch to a thieving banker. The handsome stranger who appeared in her root cellar seemed like a gift. Thought Pierce promised to move on after playing his part, Zoey sensed a deeper desire in his burning kisses and vowed there was no way he would go anywhere without her by his side. Connie Mason delivers another fast-paced, sexy tale Romantic Times. de Rugged rancher Pierce Delaney doesn't trust women and has vowed never to marry; beautiful Zoey Fuller is far too busy trying to save her ranch from greedy Samson Willoughby to even think about a husband. Unfortunately, Samson not only wants her ranchland, but he wants Zoey as well. When Pierce is falsely accused of a heinous crime and then shot by a Montana vigilante while escaping, he finds refuge in Zoey's root cellar. Zoey removes the bullet and saves his life, but when Willoughby's threats loom larger, she forces Pierce to marry her at gunpoint and rescue her from Willoughby's clutches. But Zoey didn't plan on falling in love with her reluctant bridegroom, and Pierce certainly didn't plan on finding a wife quite so enticing. Just when Pierce and Zoey think they've resolved their difficulties, tragedy strikes and Willoughby surfaces to threaten their lives once again. Before Pierce can claim Zoey forever, he must first save her from the evil forces that seek to claim her for their own. Readers who love Mason's historical romances will be delighted with this addition.
