Von Teresa McCarthy : To Marry A Marquess (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised To Marry A Marquess (English Edition):

KurzbeschreibungSuspense! Intrigue! Romance!The Marquess of Drakefield has vowed never to love again, but a

deathbed promise to a friend, sends him hunting for a beautiful woman. Twenty-one-year-old Lady Victoria needs to save her family from debtor's prison and marry well, but Drakefield is the last person she needs investigating her past! Yet when a murderer closes in, the feuding couple must learn to trust not only their hearts, but each other as well... This delightful, heartwarming love story brings the Regency period to life. RT Book s hints at the "intrigue, danger, tenderness, honor and trust" for this sweet historical and suspenseful romance. A Regency Romance by an award winning author! Kurzbeschreibung Suspense!
