Von Sammie Grace : Toe to Toe (Cozy Harbor Marina Series Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Toe to Toe (Cozy Harbor Marina Series Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Another good oneVon ClaudiHAfter book 1 of this series, this one didn't disappoint. You meet most of the characters from

book 1, new ones are added, both the characters and the stories are well-rounded, and I'm looking forward to book 3.

KurzbeschreibungFreelance book editor, Christine Davies, was excited to leave her noisy condo complex in Boston to spend a quiet summer in Cozy Harbor, Rhode Island. She planned to soak up the sea air and make a dent in her backlog of work. What she wasn't counting on was having a surprise housemate! A sexy, drop-dead, gorgeous, hunky sea captain named Jack Quinn. Living with sex in a pair of topsiders was a distraction she didn't need. Legend has it that Jack's a typical sailor. The sea is his only mistress and he has a girl in every port. If she gave into temptation, would she be just another one or could she be the one to turn him into a landlubber? With all the crazy people at the marina cheering her on, could it be possible?
