Von David Michaels : Tom Clancy's Splinter Cell: Endgame before purchasing it in order to gage whether or not it would be worth my time, and all praised Tom Clancy's Splinter Cell: Endgame:

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. perfekte BuchVon GiorgioThis book is in very good conditions.The communication between me and seller was excellent. I appreciate that.Only one bad thing. Book was s dispatched from USA, so shipping to Italy (i believe for whole europe either) lasted about a month, but i believe it's not a big deal.RECOMMENDED to all !!!

KurzbeschreibungThe National Security Agency's top-secret initiative to protect the United States from potential threats has been dubbed the Third Echelon. It deploys a lone field operative. He is sharp, nearly invisible, and deadly. And he has the right to spy, steal, destroy, and assassinate to protect American freedoms.His name is Sam Fisher. He is a Splinter CellThird Echelon.Operative Fisher knows that several disastrous missions have depleted the ranks of the Splinter Cells. What he doesnt know is that a stunning piece of evidence has been uncovered that points to the mole who sold out his governmentFrom the Paperback edition.KurzbeschreibungThe National Security Agency's top-secret initiative to protect the United States from potential threats has been dubbed the Third Echelon.
