Von Christian Cameron : Tom Swan and the Siege of Belgrade: Part Two before purchasing it in order to gage whether or not it would be worth my time, and all praised Tom Swan and the Siege of Belgrade: Part Two:

Kurzbeschreibung Following on from Tom Swan and the Head of St George, Tom Swan and the Siege of Belgrade is the next instalment of the fast-paced serialised novel set in the turbulent Europe of the fifteenth century. Fifteenth Century Europe. Tom Swan is not a professional soldier. He's really a merchant and a scholar looking for remnants of Ancient Greece and Rome - temples, graves, pottery, fabulous animals, unicorn horns. But he also has a real talent for ending up in the midst of violence when he didn't mean to. Having used his wits to escape execution, he begins a series of adventures that take him to street duels in Italy, meetings with remarkable men - from Leonardo Da Vinci to Vlad Dracula - and from the intrigues of the War of the Roses to the fall of Constantinople.
