On high school prom night Catherine and Kyle make a deal to do a tonight only evening of sizzling romance. They part ways for years both never forgetting that night or each other. When they return to their home town and meet each other again, memories of heated passion and buried feelings are unleashed. INCREDIBLE well written creative read by a truly gifted author. The fusion of authenticity and fantasy make this a most impressive story. The characters spring to life with the exhilarating plot and they are certainly praise worthy. Catherine and Kyle face many emotional obstacles which make them stronger, and the chemistry between them is filled with unwavering devotion. I adored the altruistic persona of both characters. This was a sleep-stealer for me; a true love story, a most gratifying read. If you treasure fantasy romance this is a fabulous addition to your library. {I received a copy of this book for a completely honest review}. In the world of fantasy romance the possibilities are endless and always fascinating. Without reservations I recommend this book.

Kurzbeschreibung One night. No regrets. No repeats. "We said one night only. Too bad I'm a rule breaker." Before I left for the military, I spent one night with Catherine Jackson. That was supposed to be the end... But what if I want it to be the beginning? "I never should have slept with Kyle Richards. He's ruined every other man for me..." I'm trying hard to move on. New job, new fianc. But will any of it last when Kyle comes back into my life? **One Night Only is a full-length bad boy military romance with a guaranteed happy ending! ** Kurzbeschreibung One night. No regrets.
