One of her bestVon Beach Book FanSusan Lewis is one of my favourite authors and she definitely delivers with this book. The characters are so well written which makes it easy to sympathise with their situations. I could'nt put this down

much to my family's frustration. I sincerely hope we will all have the pleasure of another Susan Lewis novel soon.

Kurzbeschreibung Sometimes the truth lies closer than you think. The compelling and heart-rending new novel from the Sunday Times Top Ten bestselling author of *Behind Closed Doors*. Jenna and Jack Moore have moved their family to Wales for a fresh start. For vivacious, happy-go-lucky fifteen-year-old Paige the future is full of promise. But suddenly everything changes. Paige becomes more and more withdrawn. The closeness she once shared with her mother a distant memory. It then becomes clear that Jack has secrets too. Preoccupied with her younger children, her husband's fidelity and their fledgling publishing company, Jenna doesn't realise the extent of her eldest daughter's unhappiness until the unthinkable happens. And the nightmare is only just beginning. *Pressestimmen* "A heartbreakingly real family drama." (Essential) "A gripping story of love, uncertainty and betrayal, *Too Close to Home* is a guaranteed tearjerker that will keep you at the edge of your seat." (OK!) *Werbetext* The compelling and moving new novel from the Sunday Times Top Ten bestselling author of *Behind Closed Doors*, *No Child of Mine* and *Don't Let Me Go*.
