**Von Cathie Linz : Too Smart for Marriage (Marriage Makers)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Too Smart for Marriage (Marriage Makers):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Children's Librarians Can Be Sexy Too!Von Ein KundeMy name is Sharon Lawrence and I spoke with Cathie Linz while she was writing this book. I am a children's librarian, and Cathie requested information on what a children's librarian does! As I was reading "Too Smart for Marriage", I could see that she took my suggestions to heart. The process was very interesting. Cathie acknowledges my assistance in the foreword of the book...and she mentions a book I introduced her too, that is heavily involved in the plot. The book is "The Frog Princess?" by Pamela Mann published in 1995.I enjoyed reading this story. Cathie Linz can tell a great story! I appreciate the accuracy of her depiction of librarians in all her books, and especially in this one.0 von 0 Kunden fanden die folgende Rezension

hilfreich. Fantastic Von Ein Kunde This book had me laughing several times. If you enjoyed the first two books of the "Marriage Makers" trilogy, you'll love this. If you haven't read the first two, GO GET THEM! Cathie Linz is a terrific author. She combines a wonderful story with great characters, and the outcome is always fun and sexy.

Kurzbeschreibung Marriage Makers "Cathie Linz's fun and lively romances are guaranteed to win readers' hearts!" Susan Elizabeth Phillips Anastasia Knight knew better than to fall for a straight-arrow like David Sullivan. Why, he'd even believed she was trying to swindle his sweet grandmother! He was the one at fault he didn't spend enough time with the dear woman. And Anastasia was about to fix that! Just as she was going to teach Mr. David Sullivan, workaholic, how to loosen up and have fun. Problem was that she was the one having too much fun. She and David together? Like marriage? Nah. Surely, they were both too smart for that maybe. Marriage Makers Three bumbling matchmakers mess with matrimony!
